

VETERANS: VA PAYS 100%

We begin care BEFORE your Aid & Attendance Benefits are approved by the VA.

The **Veteran Assistance Program** allows eligible veterans to receive care with NO out-of-pocket cost BEFORE the VA approves their application, which can take up to a year. **Colonial Home Care, LLC is the only agency that provides this unique benefit in Virginia.** We have over 13 years' experience in helping veterans accurately submit their application to the VA, with access to an on-staff VA-accredited attorney.

FINANCIAL CONSIDERATIONS

Medicaid Pays Up to 100%

Colonial Home Care offers several payment options. If you need help determining which is best for you, call us. We'll be glad to help.

Long-term care insurance • Virginia Medicaid
Aid & Attendance (Veterans Affairs)
Private pay (check, PayPal & credit card)
Government Agencies

Colonial Home Care LLC is a Service-Disabled
Veteran-Owned Small Business.

We support the veterans who have made our country and company strong, working with the military community to find candidates for employment with our agency.

★ EXCEPTIONAL CARE

The mission of Colonial Home Care, LLC is to provide compassionate, quality medical and non-medical support services to individuals and families in Northern Virginia. Our multidisciplinary team of care professionals are available 24/7/365, offering services ranging from skilled nursing to Alzheimer's and dementia care to homemaking services. Our goal is to help our clients live independently and comfortably at home, wherever "home" may be:

- ★ Residential homes
- ★ Assisted living facilities
- ★ Hospice facilities
- ★ Hospitals
- ★ Independent living facilities
- ★ Nursing homes
- ★ Retirement communities
- ★ Veteran hospitals
- ★ Rehabilitation centers
- ★ *And wherever our clients reside*

★ EXCEPTIONAL PEOPLE

Colonial Home Care selects only well-qualified, dedicated care professionals who meet our high standards for excellence to join our team. We use a stringent industry-leading process to screen potential employees, including:

- ★ Federal Level Background Check
- ★ Credentials Verification
- ★ Skills Evaluation
- ★ Complete Reference Check

Our CNAs (Certified Nursing Assistants) and home health aides are certified and licensed through Virginia State's Board of Nursing. An RN supervises all care.

Using a thorough screening and matching process, we pair clients with caregivers compatible with their personalities and individual needs.

Available 24/7/365
No Weekend Rate Differentials

Colonial Home Care, LLC is proud to be the only Service-Disabled Veteran-Owned Small Business in home care and home health services in the Washington DC Metropolitan area.
